The hospitality tax is in the amount of two percent (2%) applied to the gross receipts derived from the sale within the Town of prepared or modified foods and beverages intended for immediate consumption (whether consumed on premises or picked up by the customer).

The tax is paid by the customer, collected by the establishment and remitted by the establishment to the Town. Tax collected is to be remitted to the Town on a monthly basis using a monthly reporting period.

Each business must complete and submit this Return (to the above indicated address) for each reporting period even if no tax is due.

The return and remittance (by check) is due on the 20th day following the end of the reporting period. **PLEASE DO NOT REMIT TO THE SC DEPARTMENT OF REVENUE-THIS IS NOT A LOCAL OPTION SALES TAX.**
