

BOIL WATER NOTICE

TO

Pageland, Town of

04-23-2026

AREA AFFECTED BY THIS NOTICE: 300 - 900 Blocks of North Pearl Street

CAUSE OF THIS NOTICE: Water line break adjacent to a sewer line break

People in the affected area are advised to vigorously boil their water for one full minute before drinking or cooking. This recommendation is being issued due to an abnormal result from a recent water quality check. As a precautionary measure, we are advising you to boil water until we can identify and resolve the issue. Additionally, please refrain from using ice made from unboiled water for drinking.

Our goal is to ensure the availability of safe drinking water and minimize any inconvenience. You will be notified once the water has been tested. If you have any questions, please call (843)672-7292.

Thank you for your cooperation and patience while we rectify this issue.
